

## ●FY2025 Committees

Jurisdiction		Committee		Chair
Planning Coordination Board		2024~2025	Special Committee on Planning for Next Generation of JCI	Koichi MAEKAWA
Science and Research Section	Technical Committee	2023~2024 (Extend on 30 Sep, 2025)	TC231A Technical Committee on Practical Utility of Limestone Powder for Concrete	Shigeki SEKO
			TC232A Technical Committee on construction of literature database and AI application in concrete engineering	Shinichiro OKAZAKI
			TC233A Technical Committee on Comparison of Performance Based Seismic Design of Concrete Structures between US and Japan	Hitoshi SHIOHARA
			TC234A Technical Committee on evaluation of corrosion characteristics of steel bar in RC and PC structures focusing on structural performance	Hideki OSHITA
		2024~2025	TC241A Technical Committee on Performance Evaluation of Self-Healing Materials for Concrete and Application in Practice	Keiyu KAWAAI
			TC242A Technical Committee on Advanced Use of Electro-magnetic Waves in the Concrete Sector	Hitoshi HAMASAKI
			TC243A Technical Committee on Inspection Methods for Reinforced Concrete Structures Aiming at Preventive Maintenance	Nobufumi TAKEDA
			TC244A Technical Committee on Tsunami Damage Mitigation Technology for Reinforced Concrete Structures	Toshikazu KABEYASAWA
		2024~2026	TC246C Technical Committee on Environmental Safety Quality of Slag Aggregate for Concrete	Hirofumi SAKANAKURA
		2025~2026	TC251A Technical Committee on Prediction or Evaluation of Collapse Process for Reinforced Concrete Structures	Kuniyoshi SUGIMOTO
			TC252A Technical Committee on Soil and Foundations Design Code Standardization for Civil/Architect Concrete Structures Considering Carbon Neutral	Shinichi TAMAI
			TC253B Technical Committee on the Fusion of Concrete Structure and Computer Vision	Suguru SUZUKI
			TC254B Technical Committee on Mix Design of Concrete Used Highly Concentrated NaCl Solution	Kenji HARADA
	International Activities Committee	2024~2026	Local Organization Committee for MC3 Conference	Ippei MARUYAMA
Technology Development and Spreading Section	Committee for concrete technology	2022~2025	Drafting Committee on Revision of Guidelines for Control of Cracking of Mass Concrete	Toshiaki MIZOBUCHI
		2025~2026	Drafting Committee on Revision of Guidelines for Assessment of Existing Concrete Structures	Kei-ichi IMAMOTO
			Drafting Committee for Revision of JCI-S-002 and JCI-S-003	Yoshinori KITSUTAKA
	Standards Committee	2024~2025	Drafting Committee for Revision of JIS A 5023 Recycled Aggregate Concrete-Class L	Takafumi NOGUCHI
		2025~2026	Drafting Committee on JIS for Determination of Carbon Dioxide Sequestered in Concrete and Concrete Constituents	Takafumi NOGUCHI
	Committee on Public Relations	2024~2025	Study Committee for Expanding Women's Participation through Collaboration in the Field of Concrete	Kumiko SUDA
	Committee for Spreading of Technology	2022~2025	Committee on Spreading of Practical Guideline for Investigation, Repair and Strengthening of Cracked Concrete Structures	Toshiro KAMADA
			Committee on Spreading of Computer Software for Simulating Long-Term Performance of Concrete Structure	Daishin HANAOKA
